Subject: Our beach park

RECEIVED
CITY CLERK
C & C OF HONOLULU
2012 JUN 21 AM 7:58

Aloha,

My name is Kimberly Walsh and I have lived on the north shore for 25 years. My family and myself paddle canoes and stand-up boards at this beach and use the park almost every day.

We use it for the North Shore Canoe Club that has over 100 members.

Please consider opposing Resolution 12-143. Public parks should not be for sale. Recently approved community plans designate Haleiwa Beach Park Mauka and the North Shore as important recreational resources for the people of Oahu. Please give the community a chance to continue to partner with the City on the stewardship of this 3.4 acre coastal park before taking the drastic action of closing it and selling it. My family and I along with the members of the canoe club would miss this special place. We need more parks like this. Please kokua!

mahalo,

Kimberly Walsh
